EXPLANATION OF SERVICES

Therapeutic Riding:

Therapeutic Riding lessons are equestrian skill based lessons for people with disabilities. The focus of the lessons is skill development and progression while improving the rider's physical, cognitive, emotional and/or social skills. Taught by a North American Riding for the Handicapped Association (NARHA) Certified Therapeutic Riding Instructor, and assisted by volunteer aids, helping the rider reach their full potential is of paramount importance. Often times the riders participate in pre-mounted and post-mounted horse care. Riders that have physical, intellectual, cognitive, developmental, and/or learning differences can benefit from Therapeutic Riding.

Group Classes: Group classes are 1 hour long and have a maximum of 4 riders per class. Group classes are beneficial due to the opportunity to interact with other riders and families. The riders can also learn from the other students in the class and enjoy group activities. All riders new to ManeGait and therapeutic riding are strongly encouraged to register for group lessons. Riders are scheduled by age, skill level and availability. Financial Assistance is available and based on the family's financial need.

Private Classes: Private classes are 45 minutes long and recommended for riders who desire the one on one attention to improve their skills. Private lessons are especially beneficial for students who are honing their skills for competition. Financial Assistance is NOT available for private lessons. In the event that a student signs up for a group lesson and due to enrollment is the only person in a time slot, they will pay the group rate with the understanding that available spots will be subject to filling.

Hippotherapy*: (not available at this time)

Hippotherapy is a form of therapy that uses the movement of the horse as a means to achieve therapy goals. The horse's movement promotes active responses in the client and facilitates activation of postural control, balance, motor and sensory systems. The sessions are conducted by licensed Physical, Occupational or Speech therapists and assisted by a certified riding instructor and volunteer aids. Although the focus is not on skill development, the client develops balance and feel of the horse and often times will participate in therapeutic riding as well. Clients who have movement, speech and/or motor deficits can benefit from hippotherapy. Some of the issues that may be addressed in a session are:

- ♦ Abnormal Muscle tone
- ♦ Impaired Balance
- ♦ Abnormal Reflexes
- ♦ Decreased Coordination
- ♦ Impaired Sensorimotor function
- ♦ Postural Asymmetry
- ♦ Decreased trunk mobility
- ♦ Abnormal limb function

****A physician's prescription for physical therapy and/or occupational therapy with hippotherapy is required.***

ELIGIBILITY GUIDELINES

Financial Assistance;

It is ManeGait's philosophy to accept riders in the program regardless of financial means. Financial assistance up to 75% of the session fee is available for those who feel they can not pay the full fee. Please download a Financial Assistance Application Form or call the ManeGait office at 469-742-9611 and request one.

New Rider Assessments:

All riders new to ManeGait must have an assessment before being scheduled in a lesson spot. Once your application has been processed, you will be called to schedule an assessment.

Scheduling:

Students will be scheduled as appropriate lesson spots become available. Those currently riding at ManeGait will be given first priority when scheduling. Others will be scheduled on a first come first serve basis. If we are unable to schedule your rider, he/she will be put on a waiting list. As a suitable spot opens up, you will be contacted.

Absences:

- 🐾 If your rider has to miss class, please contact ManeGait at 469-742-9611 so we can avoid having the horse tacked up unnecessarily.
- 🐾 For **group** classes there are no make-ups or refunds for non weather related absences.
- 🐾 For **private** lessons missed, make-ups may be scheduled depending on volunteer, arena, horse and instructor availability

Attire and Equipment:

- 🐾 Appropriate clothes for riding are long pants and hard soled boots with a low heel. Since we use safety stirrups on all of the English and most of the western saddles, sneakers are permissible. Dress for comfort and according to the weather. Undergarments that provide adequate support and comfort are necessary. Wear close-fitting clothing for safety as well as comfort. Loose or baggy clothing can get caught and tangled in equipment
- 🐾 No dangling jewelry is permitted.
- 🐾 All riders are required to wear an ASTM/SEI approved Equestrian Helmet. If you don't have your own helmet, ManeGait will provide you with one. Should you choose to purchase your own, below is a list of tack shops that carry approved helmets.
- 🐾 Riders may also bring their own English stirrups and stirrup leathers providing the stirrups are safety stirrups and in good condition. Having your own stirrups helps save time in the adjustment of stirrups.

Volunteers:

ManeGait's instructors are assisted by an incredible team of volunteers. They groom and tack the horses, assist with mounting and dismounting and, when needed, help the riders during class. Many volunteers help in other aspects of the organization, from facility maintenance, to office work, to fund-raising. Please make an effort to show your appreciation to our volunteers who are the lifeblood of ManeGait.

If you or someone you know is interested in volunteering, please have them contact the ManeGait Volunteer Coordinator at 469-742-9611. Volunteer registration forms are available on our website at www.manegait.org. All potential volunteers must attend a one day volunteer training.
