ManeGait is a 501(c)3 organization

It's no secret that a lot has changed in the past year. And for some North Texans, change has come in the form of **hope, accomplishments, healing, and firsts:**

- the **first high five** from a **3 year old with Autism** who never before gestured.
- a **toddler with Smith Magenis Syndrome** who took his **first 3 steps** after his first lesson.
- a **child with agenesis of the corpus callosum** who spoke her **first words** while riding one of our horses.

More than 600,000 people in North Texas live with a disability. **ManeGait Therapeutic Horsemanship is committed to helping children and adults with disabilities move beyond their boundaries through the healing power of the horse and the dedication of a professional, caring community.** ManeGait works with medical professionals to maximize the therapeutic value of using the natural rhythm of the horse's gait and the bond formed between the horse and rider. It's a special combination of hard work, motivation and fun that can produce life-changing results.

You can change lives too. On **Sunday, March 28, 2010**, five hundred of North Texas' business and community leaders will gather for the 1<sup>st</sup> annual Gaitapalooza Trail Ride and Family Festival at Myers Park in McKinney. Many of our riders will be riding outside the arena for the first time so we invite you to get involved and experience the excitement. Your donation of time, money, or in kind gifts directly supports the children and adults with disabilities at ManeGait and enables them to continue to move beyond their boundaries.

A variety of exciting sponsorship packages for this signature event are also available. To learn more, please contact Landon Darling, Development Coordinator at 469-742-9611 or LDarling@manegait.org.

Thank you for your consideration in making a donation to the ManeGait Therapeutic Horsemanship Gaitapalooza Trail Ride Fundraiser.

When you give to ManeGait, your gift has **HorsePower.**
